

# Non-Tax Remittance Management System (NTRMS)

## [Non-Tax Remittance Management System](#)

### **Non-Tax Remittance Management System**

NTRMS is a web based application hosted at DGH for online entry of Non-Tax Remittance details. Please read carefully below the system requirements to run the NTRMS application.

### **How to access Non-Tax Remittance Management System**

**Recommended browsers:** Google Chrome 36+, Mozilla Firefox 26+. It is recommended you update your browser to the latest version for the best experience.

- First you need to install the DGH Root CA certificate in your browser. You may download it by clicking [here](#).
  
- The next step is to install the certificate you have downloaded. We have provided a manual for installing the certificate in your browser. Please download the [Instruction Manual here](#) and install the certificate

- Once the certificate is installed, you may access the [Non-Tax Remittance Management System Application](#). You will need to login with your User id and Password. If you do not have valid login credentials, then you may contact DGH.
