Cl. No. 3 (Note) of Annexure-IV Clause No. C (i) of Annexure-II and Cl. No. 9 (Note) of Annexure-IV of RFP/tender document	% d q	TDR/Charges per successful transaction (in term of % percentage of individual transaction amount) for domestic and international payment are to be quoted in a percentage of the transaction amount. Evaluation of bids: Bid will be evaluated on the basis of Transaction deduction rate (TDR), and contract will be awarded to the technically acceptable bidder quoted the lowest value (%) of TDR.					TDR/Charges per successful transaction for domestic and international payment are to be quoted in percentage of the individual transaction amount except receipt of domestic payment through net banking (Sr. No. 1.c), in which flat amount (in Rs.) per transaction is to be quoted irrespective of transaction amount. Evaluation of bids: i) Bid will be evaluated on the basis of average value of TDR and Flat amount quoted for net banking transaction. Average TDR will be calculated for those heads in which TDRs are quoted in %. However, Contract will be awarded to the technically acceptable bidder quoted the lowest value of average TDR and flat amount for net banking transaction. ii) In case of no bidder is confirmed with lowest value of average TDR and flat amount for net banking transaction, bidder quoted the lowest value of average TDR would be asked to match the quoted flat rate (for net banking transaction) with the L-1 rate received against this RFP/tender, and contract will be awarded accordingly. iii) DGH reserves the right to place the order on more than one payment gateway service provider confirming the evaluated L-1 rates received against the tender.
