(Ministry of Petroleum & Natural Gas)
OIDB Bhawan, Plot No. 2, Sector 73, Noida-201301, India.
Phone: 0120-247 2000, Fax- 247 2049. eMail- mm@dghindia.org

Addendum No. 1 dt. 09.05.2017 to

Bid Document No. M-11011(12)/1/2017-DGH/ENQ-057 for
Supply, Installation & Commissioning of 4 (four) numbers of High end
workstations for data interpretation facilities in NDR, at DGH, Noida.

DGH has received following queries /Clarifications / modifications requests from various prospective bidders. After careful examination of the same, DGH has given its reply as in the last column of the table below. Please be guided accordingly, while making your bid.

Sl	Ref	Query	DGH Reply
		Megahertz Infotech Pvt Ltd.	
1	Page 43, Clause 2.0 point No. 3	RAID Controller: SAS/SATA on Board RAID Controller 12Gb/s, RAID levels 0, 1, 10, 5, 50, 6 and 60, 8 internal ports . Changes Required - 12Gb/s SAS (6Gb/s SATA) PCIe controller supports software RAID 0,1,5,10 (Optional)	RAID Controller: SAS/SATA on Board /PCIe based RAID Controller 12Gb/s, RAID levels 0, 1, 10, 5, 50, 6 and 60, 8 internal ports
2	Page 43, Clause 2.0 point No. 5	Media Drive: DVD(RW) Super Multi SATA drive with Free DVD Playback SW& Nero 2016 Essentials Softwares; MultiCard Reader 24 in 1. Changes Required - DVD-ROM; DVD+/-RW ; 19 IN 1 MEDIA CARD READER;Cyberlink Software for Windows 8 with media	No Change in specifications.
		Netweb Technologies	
3	Page 44	Monitor –it is mentioned in tender that :” Monitors and Workstations need to be from the same OEM” – we would like to bring to your notice that since globally only specific OEM only manufacture monitor / display panels which are further whitelabelled by the equipment OEMs for the purpose of branding thus such a clause do not impact the	No change in specification

		quality of the monitor but just restrict the healthy competition . We request you to please remove the same clause.	
4	Page 44	Power Source – Tender asks for “AC Power 220V (+/-10%) & 50Hz (+/- 1%) , 100 Watts or better 90% power efficient, EPEAT certified " it is firstly important to note that EPEAT is a standard followed for countries other than India and not in India as Govt of India has so far not come out a policy related with EPEAT. Secondly – EPEAT standard is largely based on 80Plus standards for Power Supplies to decide on the EPEAT certification level thus it is observed that instead of asking for 80Plus Certification for Power Supply tender has asked for EPEAT. We hereby request you to please amend the clause and kindly take in to consideration the native certification i.e – 80 Plus Certification instead of EPEAT.	No change in specification
5	Page 44	ISV Certification – Tender asks for “ISV Certification” for certain applications with Workstation. It is important to note that in various cases it is observed and notified by Central Govt bodies including DGS&D that such ISV certification hold no value as these certifications are fundamentally based on the configuration of x86 architecture based workstation and the Graphics card selected. That is the only reason latest DGS&D Workstation rate Contract was released with this clause removed from the RC and instead of ISV certification it was mentioned as OEM Certification as it is only about compatibility of workstation and the application . Thus we hereby request you to please amend the clause ISV certification as “OEM Certification”	No change in specification

6	Page 43	Media Drive – Tender asks for “MultiCard Reader 24 in 1” – Since this particular feature has no practical utility in your work scenario where the file sizes are very large and card reader is not the equipment which is meant for transporting data thru it in such a scenario. Thus it seems that this features has been included with no relevance and we request you to kindly consider Data on Module or Solid State Drive in lieu of the same so that the component can actual be utilized.	This requirement is deleted from the specifications
		Corporate Infotech Pvt. Ltd.	
7		We are MSME and NSIC certified organization. Please confirm that we are eligible for exemption from EMD & tender Cost	DGH cannot comment on the applicability of MSE benefits to any prospective bidder before actual bidding. You may please be guided by Clause no. 13.2 on page no. 9/48 of the tender and the Public Procurement Policy for MSEs Order 2012 and other subsequent clarifications on the subject from MSME.
8		CCS Computers Pvt. Ltd	
		Request for your acceptance to consider tender fee & EMD exemption being we are the registered organization with MSME & NIC	Same as reply against Sl.7

All other specifications, terms & conditions remain unchanged.
