Addendum No. 1 dt. 06.06.2017 to
Bid Document No. MM-12015/8/2017-DGH/C-2732/ENQ-073 for
Web Portal for EoI Submission against HELP

DGH has received following queries /Clarifications / modifications requests from various prospective bidders. After careful examination of the same, DGH has given its reply as in the last column of the table below. Please be guided accordingly, while making your bid.

Sl	Ref	Clarifications sought	DGH Reply
1	Clause 13.2	The Bidders not covered under Para 13.2 above must enclose with their offer (in case of two bid systems, with techno-commercial bid) bid security. The amount for bid security has been indicated in the "Invitation for Bid"	Bid Security is NOT APPLICABLE as clearly spelt out in the Invitation for Bid.
2	Clause 2.2.8	During the time of various domestic and international road shows/investors meet/events the portal will facilitate registration/booking of participants/delegates. : Will this include seat booking also	This will also include slot booking. E.g. The Hon. Minister wants to meet prospective bidders in 15 minutes slot window. So, booking of 15 minutes slot during a given time has to be facilitated by the portal.
3	Scope of Work	Production System: The entire solution will be hosted in central / state government / PSU owned data centre/cloud to be managed by the service provider. The servers will be facilitated by DGH. Are we talking of one time activity of installation and support in case of application related issues. Pls. confirm! Also, do we need to provide hardware specs in proposal	This will include installation, application maintenance / support. Hardware specifications are required.
4	Scope of Work	Total Registered users will rise to 5000 in five years. However, as per financial format we have been asked to quote for 3 years support. Pls. clarify	This is a tentative number.
5	Scope of Work	Development Server: The development server will be onsite at DGH; DGH will provide necessary servers with OS for development, testing etc. Does this mean entire development will take place Onsite ?? please clarify	Development will be onsite at DGH
6	Scope of	Payment Gateway Integration Required. Integration	DGH has its own PG vendor.

	Work	cost to be mentioned as per financials, but are we supposed to procure one also? (Facilitation of interaction is stated under Pt. 2.6 Pg. 60/63	Bidder will have to integrate that PG in their application.
7	Scope of Work	You have not asked for STQC certification for compliance with GIGW (Guidelines for Indian Government websites) : Do we need to develop the website as per GIGW and provide this cost also.	May be guided by the tender document.
8	Scope of Work	Also there is no mention about the presentation. Does we need to give the presentation also	Not required.
9		Also we suggest to have a pre-bid to resolve our technical queries	No pre-bid conference is envisaged in this tender. In any case, opportunity for queries / clarifications had been provided and DGH replies are uploaded on websites well in time.

All other specifications, terms & conditions remain unchanged.
